# Remove publications

If you have accidentally added a publication to your profile that you would like to remove, you can delete this via your My publication records page.

The screenshot shows the 'Documents' tab selected. At the top right, there is a 'Document FAQs' link and a '+ Manage' button, which is highlighted with a red rectangular box. Below the tabs, the text '8 Publications from the Web of Science Core Collection' is displayed. A filter bar includes a checkbox for 'Include publications not indexed in Core Collection (0)', a dropdown for 'All Publications', and a date sort option 'Date: Newest first'. A pagination indicator shows '1 of 1'.

The screenshot shows a single publication entry. The title is 'Convenient synthesis and properties of polypropyleneimine dendrimer-functionalized polymer nanoparticles'. The associated author is 'Delgado, Anne'. The date is '2008-01-01' and the size is 'Small'. On the right side, there is a '13 Citations' count and a 'Delete' button, which is highlighted with a red rectangular box.

GRANT REVIEW

Request recognition from a funder

To get recognition from the funders you review for, please add some details below. If your funder is not one of our early stage partners, we will contact them on your behalf and update you if and when they join the initiative.

Funder

Funder \*

Year \*

Review type

What type of grant review have you done for this funder?

☒ Panel Review

☐ Individual Review

A funder brings together a range of experts across a discipline to review multiple grant applications. These experts will evaluate each grant application in turn and make a determination on funding across multiple applications.

A funder commissions experts (usually 2 to 3) in the relevant field to provide a detailed review for a specific grant application or proposal.

# Author alerts for any profile

This screenshot illustrates the process of creating an author alert for a specific profile, with numbered annotations (1-6) highlighting key steps:

- 1**: The 'Create Alert' button in the top right corner of the profile header.
- 2**: The 'Create author alert' dialog box, which includes checkboxes for 'Author Publication Alert' and 'Author Citation Alert', and a 'CREATE' button.
- 3**: The 'Author alerts' link in the left sidebar navigation menu.
- 4**: The 'Author alerts' section in the main content area, which contains a summary box stating: 'Alerts will email you when a new publications or citation is associated with the given author.'
- 5**: The 'Publication alerts' tab selected for the author 'Herrera, Alicia'.
- 6**: The 'Citation alerts' tab selected for the author 'Herrera, Alicia'.

# Web of Science Researcher Profiles

Publons has joined Web of Science—easily track and manage your profile in one place.

## Get noticed

Get noticed by funders and potential collaborators by showcasing your work in the Web of Science

## Get notified

Receive automatic citation alerts for your papers

## Focus on research

Save time with a profile that syncs with ORCID and exports your CV with a few clicks

## Get credit

Track your publications, citation metrics, peer reviews, and journal editing work in one place

## Gain context

Put your citation impact in context with an Author Impact Beamplot visualization

## Stand out

Display your Highly Cited Research and Web of Science Academy badges
